MAGIC IN YOUR SPECIALS MOMENTS

Bella Krystal.

In some secret corner of heaven, where dreams never fade and the light never sleeps, you are... **creating magic with your soul, just as you always did here.** This collection is born from that invisible place where you now live, made of sighs, golden memories, and petals of eternity.

Becoming It's more than a collection. It's a work of love woven from what you left us: your vision, your passion, and that gift of seeing beauty even in the invisible. Each dress is a soft note of your voice, an echo of your laughter, a reflection of the brilliance with which you filled the world.

Your yellow flowers bloom in each design, like tiny suns lighting the way. The trains float like clouds at dawn, the crystals sparkle like stars winking at you from the sky, and the bows open like wings, as if each piece could fly to you.

You haven't left. You're in every thread that touches the skin, in every glimmer that caresses the light, in every step of the women who, dressed in dreams, celebrate their transformation... **as you taught us:** with elegance, courage, and heart.

To you, who were magic before being memory.

To you, who are still here, in all that shines softly.

This collection is your eternal flight.

Today, beauty bears your name,

and the transformation...

your soul.
