Magic in your Special Moments

En algún rincón secreto del cielo, donde los sueños nunca se apagan y la luz jamás descansa, sigues creando magia con tu alma... tal como siempre lo hiciste aquí.

Esta colección nace de ese lugar invisible donde ahora habitas, un lugar hecho de suspiros, recuerdos dorados y pétalos de eternidad.

Eternal Blossom es más que una colección.

Es una obra de amor tejida con todo lo que nos dejaste: tu visión, tu pasión y ese don único de descubrir belleza incluso en lo invisible.

Cada vestido guarda una nota suave de tu voz, un eco de tu risa, un reflejo de la luz con la que llenaste nuestro mundo.

Tus flores amarillas florecen en cada diseño, como pequeños soles iluminando el camino.

Las caudas flotan como nubes al amanecer, los cristales brillan como estrellas que nos guiñan desde el cielo, y los lazos se abren como alas, como si cada pieza pudiera volar hasta ti.

No te has ido.

Vives en cada hilo que toca la piel, en cada destello que acaricia la luz, en cada paso de las mujeres que, vestidas de sueños, celebran su transformación... tal como nos enseñaste: con elegancia, valentía y corazón.

Hoy sabemos que también caminas a nuestro lado desde lo eterno. Como un ángel silencioso que abre caminos, que aparta obstáculos y que sigue guiando cada logro de esta marca que tanto amaste.

A ti, que fuiste magia antes de convertirte en memoria.

A ti, que sigues presente en todo lo que brilla con suavidad.

Esta colección es tu vuelo eterno.

*Hoy, la belleza lleva tu nombre...
y cada transformación guarda tu espíritu.*

*In some secret corner of heaven, where dreams never fade and light never rests,
you continue creating magic with your soul... just as you always did here.
This collection is born from that invisible place you now inhabit, a place made of
sighs, golden memories, and petals of eternity.*

*Eternal Blossom is more than a collection.
It is a work of love woven with everything you left us: your vision, your passion,
and that unique gift of discovering beauty even in the unseen.
Each dress holds a soft note of your voice, an echo of your laughter, a reflection
of the light with which you filled our world.*

*Your yellow flowers bloom in every design, like little suns lighting the way.
The trains float like clouds at dawn, the crystals shine like stars winking at us
from the sky, and the bows open like wings, as if each piece could fly back to you.*

*You have not gone.
You live in every thread that touches the skin, in every sparkle that embraces the
light, in every step of the women who, dressed in dreams, celebrate their
transformation... just as you taught us: with elegance, courage, and heart.*

*Today we know you also walk beside us from eternity. Like a silent angel who
opens paths, removes obstacles, and continues guiding every achievement of this
brand you loved so much.*

*To you, who were magic before becoming memory.
To you, who remain present in everything that glows softly.*

This collection is your eternal flight.

*Today, beauty carries your name...
and every transformation holds your spirit.*
